ADDITIONAL COMMENTS:	<p>A really really good night was had by all!            the venue looked amazing, the food was excellent and the after party was great. Only criticism could be the DJ's selection of music while we ate. 90's Dance music? lol.            Brilliant night, well done Jocasta's.</p>

Dear Sir

I felt I had to write to say a huge thank you for the lovely time we spent at Jocasta's on Christmas Day. We booked on the recommendation of a friend and we were not disappointed. From the time we arrived until we left we could not fault the service we received. Please pass on our thanks to all your staff, from the gentleman who met us in the car park, the waitresses and the Chef. The service and food was excellent.

Yours faithfully  
Jane + Dennis Looe

**To Whom It May Concern**

Dovecote Park Ltd, hold an Annual Carcase Competition at Skellingthorpe, this culminates in a Dinner Dance and Prize Presentation at Jocasta's in the evening. We have been holding these events now for over six years and they have almost doubled in number over that time, the same people come back and encourage a whole lot more to come, which is true testament to the team at Jocasta's.

Having organised these events with Steve and Jenny, they come fully recommended as they have always given us excellent service both leading up to the event and on the night. The food and catering is of an excellent standard, table service is slick and the food always hot, even when numbers rose to 250 as last year.

All the staff polite and efficient and everything is done to ensure an excellent evening. We have had the freedom to decorate the marquee as we wish, they have recommended florists, audio visual companies, fireworks etc as well.

We always book the in house DJ for the disco, he gets everyone on the dance floor which is not always easy in a mixed age party.

It is extremely important to Dovecote Park to achieve an excellent night as we entertain our extremely discerning customer and our beef producers.

Hi Jenny,

Just a little note to say thank you for all your help with the party at the weekend.

The feedback has been amazing with guests commenting on everything from the amazing food, to the lights, comfortable seats and the staff - nothing was too much trouble and there is nothing I would have done to improve the night.

Please pass on my thanks to all of the staff involved and of course to yourself.

Is there any chance you can give The Matrix DVD that was playing in the toilet to Nick to give to Gary when he next sees him?

On a separate note - if by chance I do manage to get our Christmas party sorted - have you got any dates free for 80?

Have a great day,
